“ SueAnn,

We are so sorry to hear about your dad's passing. Uncle Al was a great uncle and friend. I will remember him as a guy who always was willing to help and offer advice. He enjoyed a quiet sense of humor and I never knew him to get upset. As he would tinker on things, he would take time to explain the process and I could tell he enjoyed sharing his knowledge. We really enjoyed the time when you "allowed" him to come to our house for a week away from Philly and then you had a flat tire on the highway, just as you had predicted! Somehow you managed to get by and he knew you would.

We'll all miss him, but we are all better off for having him in our lives. Thanks for sharing him with us.

May He Rest In Peace.

“ Dear Sue Ann,

I will miss Uncle Al's smile and kindness. I remember how he always baked cookies over the Christmas holidays. My favorites were the pizzelles he spent so much time making. He had such a sweet tooth for chocolate. Last year when I brought over the homemade chocolate covered pretzels I remember how he finished them and left you one.

I hope the wonderful memories you have of him give you comfort and strength. Our thoughts and prayers are with you.
