“ *I love you so much Granny! I miss you every single day! .. I just want you to know that I'm so grateful that you are watching over us! It was a tough year but you guided us through! I always know when you are in the room with us! I often see signs but I think the one that melts my heart the most is seeing Alivia having conversations with you! I just smile because, I know it's you! You are forever my guardian angel! ..if I could have one phone call to heaven, it would be you! Love you always and forever! HOPE  Xoxo Kristen*

I know it's you keeping Livy company at all hours of the night I love you so very much, I know I left you with a broken heart and for that I will never forgive myself. Please know, that I would give anything to turn back time, to give you one last hug or to hear your voice again 🙏🙏  
I love and and miss you always 🧘*

“ Hi Gran, I'm a little sad today. I have a house full of people and sometimes I feel like your the only one I can talk to. Sounds pretty crazy, maybe even ridiculous..I know. I've tried really hard this year to be the best Mom, Daughter and Sister I can possibly be. I have had my share of bad days and definitely a few hard ones. That's great because I'm not perfect so it makes me appreciate all the good ones! I have the best family I could ever ask for.. I have endless love and so much support/ help that I'm beyond grateful for.. I'm the luckiest truly!! God has blessed me beyond! I just sometimes feel like I just can't do anything right?! .. it's the feeling of disappointing someone.. It's honestly the worst feeling! I just I wish that the ones who are in my life would or could just understand that they are my number one nothing or no one comes above that. EVER! I know I'm just venting but I know you hear me and I find so much comfort in talking with you. I feel like you are always with me and I swear you even show me signs. I love you so much. I'm forever missing you. I appreciate you always being here for me. You are my beautiful guardian Angel. Xoxo
