

Barbara Martinelli

March 26, 2017

Barbara went home to God on Sunday surrounded by her loving family. Barbara is the cherished wife of the late Dominic Martinelli, Sr. and the loving mother of Dominic, Jr., (Jenn), Lisa and Samuel (Kelly) Martinelli, as well as the late Daniel Martinelli. She is also the loving grandmother of eleven: Kristy, Jocelyn, Robert, Samuel, Daniel, Barbara Jean, Sean, Cory, Georgia, Samantha and Marlee Martinelli. Barbara was known as 'Big Mommom' to her grandchildren because of her height. She is the great grandmother of five: Leah, Gianna, Christian Maddox, Scarlett Martinelli and Brielle Peterson.

Barbara absolutely loved and adored spending time with her grandchildren and great grandchildren

She was very grateful to have two amazing friends, Del Wszolek and Jake Bevan. She also loved her fur babies Lola, Brutus, and Baylee.

Barbara graduated from Little Flower Catholic High School for Girls. She enjoyed many hobbies and activities, such as: walking the beach and sea wall, reading books, crossword puzzles, creating family traditions, watching the food network and cooking delicious meals and deserts. Her most popular dish is chocolate chip cake.

She always put others first and was always taking care of us. She had a smile that could light up a room.

I was so sorry when I read of Barb's passing. She a joy to work with at Ernst & Young. When I saw the rose tattoo on her ankle I knew she was different from the usual secretary. She was a woman with back bone who couldn't be pushed around yet always professional. She liked hard rock music; loved her family; loved the shore and fishing on that boat. It was a pleasure sitting next to her in the office. Renee Kent - May 5, 2017

“ Barb was such a kind woman to all who crossed her path. I will miss our talks during family parties very much. I thank you for not only being a wonderful grandmother to your own grandkids, but making my children feel special when they were around too. You always made them feel like they were your own and even allowed them to call you "Big Mom Mom" just like your own grandkids did. Your smile will be missed dearly. You deserve the peace that heaven brings you. <3

“ I fondly remember when Sam and Kelly's kids were toddlers, they knew they had two MomMom's, but as they grew older and Barb and I would be in the same room they realized they needed to figure out a way to differentiate us. Thus, Barb became Big MomMom (because she was so tall) and I became Little MomMom (well, I guess you can figure out why - lol). A cherished memory for both of us.

Barb Martinelli was one of the most caring, kindhearted individuals I have ever known. She would always greet you with a hug and welcoming smile. She loved walking the beach, the Cape May Mall and going to the library. We will miss her so much but are thankful that she is now at peace with the Lord.

Barb, your radiant smile will always be with me. I will miss you, I love you and I thank you for being my friend. 💕💕💕🙏

I haven't seen Barb in over 20 years and she still left a lasting impression on me. She was the heart and soul of her family. She was the lady who knew what to do.

“ *Barbara is my Mother in Law she is truly a special person to me. She holds a special place in my heart. She has helped me in raising my children she gave me good advice and knew when I Needed her especially when my kids were sick or hurt she knew what to do. She will be dearly missed but I know she is not in pain anymore. I know she is having fun collecting shells and walking the beach in heaven. Love you!!!*

“ *My mommom was such a beautiful soul. She was always taking care of our family. She was our nurse and our cook. The past two years of her life were very long and hard on her and our family. She was a incredibly strong women. She would walk into a room an instantly brighten it with her smile. She always greeted me with " Hey Snickerdoodle" and a bright warm smile. I will forever miss my mommom. I hope she is happily walking the beautiful beaches in heaven.*

“ *My mom was very precious to me, she always put others first before herself, she loved to walk the beach and seawall in N. Wildwood with her dog lola, make holiday meals, and spend time with her grandkids, as sad as I am I'm happy knowing her pain and suffering is over and I truly believe she's walking the beaches of heaven with my dad once again, I'm gonna miss her beautiful smile and her positive attitude.*

“ Barbara was my grandmother and she was the best mommom anyone could ask for, she would always have a big beautiful smile on her face and she would always help everyone, i always used to go into her room before bed and sit with her and just talk, i remember she would always take me and my little sister samantha to the beach or to the stone harbor kite store to buy animal baracelts. She always used to hand me money and would whisper "Don't tell your brothers or sisters!" with a little laugh and would always say to save it. She was the most strongest lady ever, she had a rough 2 years but through the whole situation she had that big smile on her face and never showed she was upset, she was such a happy person, even all of my friends called her "mommom" and she loved it. I miss you so much mommom, until we meet again, I love you!
