“ Dear Bruce , this is the first time I haven't been able to tell you in person , Thank you for your service & how much I appreciate it . We miss you so much & our pain is still very much alive & it still hurts so much ! Even though we know you are in a better place & are not in pain any more. That's the problem with still being on this Earth . We know we will be seeing you again someday & you will greet us with open arms. I love you my Brother ! Always Sandi ❤️❤️❤️

“ *Bruce, you are one of the very first people we met when Roger & I came to Phila 15 years ago. We have never been seperated ever since. You were more like family then friend & it breaks our hearts to see you go. But you are not suffering anymore & you are not in pain anymore. You are at peace. We will never forget you & will be on our minds & in our prayers every day ! We love you Bro !! Thank you so much for serving our Country , you will never know how much we appreciate it !! Rest in peace Bruce, You deserve it. Love always, Sandi & Roger. 🙏💕💕💕💕🙏*
