“ It’s so hard to see you go, I wish we can still laugh and joke about the crazy things my grandmother did. I remember struggling in math and you trying your best to help me

“ I can’t believe your gone. So much memories and words that are unexplained. You were a major father figure in my life. I remember this one time I got in trouble and you made me write I am sorry and I will not do it again in my notebook until I learned my lesson. I remember you bringing us breakfast every morning from McDonalds. Everytime I came over you were watching sports and schooling me to the game. I loved the way you were very family oriented and you were always there when I needed advice and a shoulder to cry on. May you Rest In Peace 💔 😞 you are always missed 🙏😞🙏😞
