“ I have shared such special moments with Catherine not only in the All Saints' adult education class but also in our church choir. I learned that she was a graduate of Holy Family University where I taught composition for many years before retiring in December 2013 because of health challenges. Catherine had such a gentle, poetic soul, and we shared a mutual love of poetry and literature. She will be missed by her All Saints' family. Wishing Catherine's family grace and peace during this difficult time. Janice Showler
