We were so sorry to hear about Bud He was a great person , who we always enjoyed being around and talking to on his porch on B Street. When I go out my door I look over thinking I will hear “ morning Deb” or “hello “. You will be so missed Bud. Our condolences to his family

“ *We are deeply sorry for the families loss. Bud was so instrumental in all of your lives. His love you you all was unconditional. Bud made such a difference in each one of your lives and hopeful that you will hold onto the memory and gratefulness that he was part of it. He always had a peaceful way about him and had such a genuine gentle smile. It was a pleasure knowing him. Please accept our love and support during this most difficult time.*

“ We have been neighbors of Kathy & Bud in Florida for many years. Bud was a fun-loving guy and always had a smile on his face. He loved to play golf, and Ed was with him when he got both of his "holes-in-one". He even got a placque for it. We will miss him coming to Florida for the winter. We send our sympathy to Kathy and the family at this sad time.

Fondly,

“ Bud, and his wonderful wife Kathy, were an important part of the fabric on B St, in Carol Lynn Resort! Bud's infectious, positive attitude and endless energy were great examples for all of us! Our frequent 'happy hour' time at the end of a busy day, were filled with conversations that seemed endless, full of past stories, current events and future hopes and dreams! He will certainly be missed, but will live on in our hearts, rest in peace, Bud!!!
