“ Big Darryl was a kind and loving person with a big heart and a love for reading the Bible, , love for animals, making things with legos with his son and cooking and sharing his recipes to others. When in good health he loved to share fond memories of his family, friends and was an humble and thankful person for all you did for him. Remembering his relatives and friends on birthdays and Christmas was a given. He had fond memories from when he worked for the Marriott Corp. as a Head Banquet Manager. When he was well, he enjoyed traveling on the trolley' viewing the city and loved the Free Library of Phila.
