“ Don use to visit his grandparent Mr. and Mrs. Hill up the street from me. He was always warm, friendly quiet spoken, and meticulously dressed. A beautiful example of all that is positive in young black manhood! May the Creator receive him with open arms. I am praying for the Hill and Norris family.

I went to high school with Don. He was always so funny and so cool...and need I say handsome. I am full right now with both joy and sadness and my eyes are filled with tears of the same. Family you know that God will give you the strength to make it through this difficult time. Blessings to you all.

“ To the Family.....

I am so sorry to hear about Don's passing, please know that I am keeping all of you in my prayers. Don and I went to school together and graduated together. I've know Don for many, many years. As you take comfort in the memories you shared, may you remember that scripture says, "that earth has no sorrow that Heaven cannot bare!" I pray God the Father will comfort you in your time of bereavement.
