“To the Family of Miss Betty....I never had the pleasure of meeting her, but I know her through her daughter Marybeth. I work with Marybeth at CHOP and my prayers go out to the entire family. It is a blessing to have one's Mother for 90 plus years. A Mom can never be replaced, and I know that you all will miss her, but just remember she is with God and she is looking and watching over you call. You are all in my daily prayers.

“We are so happy to have known Betty through our very dear friends Mark and Denise. She was a person who was a pleasure to be around and always had a sunny and positive attitude. We wish we could have known her longer. We will surely miss you Betty. God bless you. Love, George and Carol

“ *Words are inadequate when it comes to expressing sympathy at your mom's passing.. She was truly a stellar mom, mom-mom, aunt and friend. The world is less but heaven is richer with her presence. I thank God that I have so many good memories of her. I will always recall them with a grateful heart and celebrate them. We are having Mass for her at the college tomorrow. God's peace and strength.*
