“ I was Nerky's visiting nurse and I had the absolute pleasure of taking care of him and his wife Jean for a while. Can't forget Buddy too! He was and always will be my absolute favorite patient ever. He was such a wonderful man and the love he had for his family and wife was inspiring. I always looked forward to our visits because he always filled the room with laughter, even on his worst days. My condolences to the Agnew family <3

“ I will never forget the day Nerk brought in a tiny egg that his bird laid. He brought it into my classroom and passed it around so the children could see the egg. Soon we broke it open so the children could see what was inside the egg. Nerk stayed a few more minutes and had my children laughing so hard we were crying. I always felt so welcome at his home even though he loved to tease me but I gave it right back to him. Going to miss Nerk but I know we will all see him again. With Love Judy

*This man was one of my late father's favorite uncle's of whom he shared a very special bond with . I will always remember how he made me laugh and always knew what to say whether you liked it or not because it was the truth no beating about the bush just straight honesty and I will always love him for it and also hid fierce love of his wife and children. I love you uncle Nerky and I will miss you this life will be a little dimmer without you*
