“ I worked with Frank at CES for the past 7 years....we talked everyday at least once between lunches...he talked every day about his wife and kids....and about how good that beer after work was gonna taste. I’ll miss you my friend. My sincere condolences to his family....He truly was a proud dad and husband!

“ I worked with Frank at CMS for many years. He was always funny and warm as we recollected our experiences at the end of each day in the art room. He always had great insights and something positive to say to make me smile before heading home. My deepest condolences to your family on this great loss. May his memory be a blessing.
