“*Those we love don't go away, they walk beside us everyday. Gayle, our sister, we love you very much are very saddened that you are no longer with us, however we have comfort in knowing that you are no longer in pain. It broke our hearts to lose you but find comfort in knowing that you're with our Lord and in a place that's filled with love. We're thankful for the many wonderful years we spent with you and look forward to joining you with all the "angels". You are gone in our arms, but will always be in our hearts. May God continue to keep his arms around you until we meet again in the Kingdom of Heaven,*

*In loving memory,
Your sister Marlene, your brother Brent and all the members of your loving family!*
