“ *Ill never forget Pastors School in Hammond Indian with Bro. Hyles when Georgy spoke to the 7000 Pastors and Leaders that evening. It has never left my mind of how God used Georgy to Shine as a light no matter where He was and who is was with at the time in his life. What a fireball for God and God instilled in me that night to have fun no matter where or who your with in Life because God always is with you in the saddle. Amen*
