“ *I remember first meeting you 4 years ago and thinking "this girl is so loud and crazy, we're gonna get along great" I loved how outspoken, brave, and caring you were. The memories we shared are ones I'll never forget. You'll be in my heart forever, Gia. Love you ❤️*

*I remember 1st meeting you and have to admit I was a little put off but as I came to know you that thought was cast aside. As a friend of Marci's I came to know you as a dedicated student, granddaughter, friend, animal lover, and a most beautiful girl/woman with the ability to become a model if you do chose! I can't believe GOD has stolen you from us just as your young life was beginning. I would do anything to trade places with you for to be able to graduate college, marry, become a mommy, and a grandma. Yet most most of all make your grandfather prouder (he was the proudest man I know when it came to his Gia and his love for you was unconditional). May GOD hold you and keep you safe as you return to your mother and grandmother.*

*GODSPEED GIA,  
Lovingly,  
RP*
