To my brother Johnny miss you so, can't find the right words to say how much I miss you! That laugh that smile. I'm so glad that I was there with you. As that last year just went so fast...but so glad I spend as much time as I could with you. I will remember those days until I see you again. I'm so glad I made the time to hang out with you, laugh with you up to when when God called you home. I could never Thank Brian and Tracl for being there in the last moments I'll never forget those who were there when johnny needed them. I thank you both truly and I know that Johnny thanks you for being there too I love you and miss you dearly Johnny but I also know that I will see you again and until that day I love you I love you little sister Colleen
