“ My dear beautiful grandmother...❤️❤️❤️❤️❤️ Our memories patch and stitch who I am. It's amazing gram the love stays with you and fills your heart. My life began with you and we will always be together. You live in me my children and grandchildren. You are in every breath I take. I am forever your granddaughter and thank you for everything and all your love.

“ My sister and I used to spend the night at your house growing up and we'd make chocolates and you'd send us home with a bag of chocolates. My sister and I even tried to sneak down the stairs in the morning to try to scare you but you always knew we were coming. My sister and I used to take turns playing on your computer with the balloon pop game. We've made so many memories with you and I will cherish them forever.
