“ Not a day goes by that I don't think about you. I miss you like crazy. Paltalk is so dead without you on it. I am still praying for you, Momma Jeanne, John, and family as well as for Mrs. Alice. There's a huge void when I log into Paltalk because I know you're not there. Momma Jeanne, if you're reading this or Mrs. Alice. I'm here for you all. I love you all.

“ Dear Momma Jeanne, John, Patti, Abby, Sean, and Mrs. Alice. I just want to say how sorry I am for the loss of Papa John. I met him in Paltalk in 2003 when he was under the name of Argyle Soxx. We just clicked and have been friends ever since. I then found him under the nick Spats_MaGee. He was such a character, a man of wit, humor, and just full of life and at times of himself. Then later on I got to finally meet Momma Jeanne AKA Squiggles. You both have been a strong influence in my life. John was a father figure, a mentor, and most of all a friend. I am blessed that God chose me to be able to do updates on his condition. It brought me closer to you Momma Jeanne. I know that he loved his Wawa coffee and tea, He loved music and more than anything he loved you all, his family the most. I was glad that I graduated from him calling me SNOT to a Texas Chili Pepper. lol Without him, I would not have met all the friends that I have on Paltalk. I owe him a debt that I will never ever be able to repay. And to the many years that he spent on Paltalk, I want to thank you all for sharing this wonderful man, father figure with me and everyone on that program. If you all need anything, please dont hesitate in asking. I love you all and you are in my prayers. Sean and Abby, Your grandfather was so proud of you both that I still have your baby pictures that he sent me as well as others as you both grew up being the young adults you are. He loved you both so much. You both brought so much joy to his life. I love yall so much. From Georgia Smith Beasley Texas. AKA Paltalk's Gigggle_Box2001.

My Dear Squigs and family, I am heart broken as are many. John and I (and you) became friends years ago. John and I shared much happiness and fun over the years I knew him. This is truly a loss for all. I thought the world of him. What a wonderful Gentleman. I will miss him so much. With love, Jacquelyn
