

## John Charles Kiessling III

March 21, 2017

John, who passed on March 21, 2017, is the loving companion of Cyndi Hauptmann; cherished father of John Charles IV, and Mackenzie; dear son of Patricia Creedon and John C. Jr. (Cristina); and loving brother of Brittany, Matthew, Kara, and Annie. John will be sadly missed by cousins and friends. As a child, John loved playing baseball, hockey and added fishing to his list of activities he enjoyed doing. John had a love for turtles and always had about 5 of them around the house. He would actually watch out for them as he drove around areas where he knew they would be-just to bring them home as pets. John was a construction worker for many years, even working on the new Phillies Stadium and Comcast building, to name a few, of which he was very proud of. While driving by some buildings he worked on, he would point them out to those he was with. He was also proud of buildings which his uncles or co-workers worked on (even if he didn't work on the same building) and pointed them out as well.

John was a die hard 'Philly' sports fan, especially when it came to the Flyers and the Eagles. While watching the games on the tv, he would yell at them even though Cyndi would constantly remind him that the team members could not hear him!!!

John was an amazing father and always gave the kids what they wanted and needed..even if Mommy said 'no'. He was Cyndi's closest friend. He was honest and was never afraid to tell you his opinion. He always put everyone else before himself, he would give anyone the shirt off his back.

“ When John was about little John's age, Pattie used to color my hair at their apartment. John told us that I look like Marsha Brady... He called me "Marsha, Marsha, Marsha" ever since. Even my Facebook birthday wishes were to Marsha. Will miss you! Joan Brong (Marsha) xoxo

“ My prayers go out to all of Johns family n friends. He will be missed by all of us who were lucky enough to know him. I can't imagine the strength it took to go through all that he did. I hope his family finds comfort in the many happy memories they have of him and the fact that he is no longer in any pain. Rest in peace my friend.
