“ I happened to be reading the Inquirer when I saw this obituary. My God, brought back many good memories as Joe was one of the "founding fathers" of our group of friends that hung out at Frank's on Rising Sun Avenue. We'd all be tickled when he surprised us with a quick visit home while serving. My brother mentored him in his first days of golfing and caddying. And Joyce was a special person with whom I knew from St Hubert's. Where did the time go? God bless all and RIP, friend! (If you prefer me to take down pictures, please let me know)

Thanks for the pics Kathy, brings back good memories. The four guys on the bottom of the bottom left pic are Bob McLane, Jim Duffy, Joe McLane and Steve Haj; the young ladies are right to left (I believe) are Betty Healy, Kathy Welsh and I can't remember the other young lady's name (my apologies). This view brought a huge smile to my face.

“*Hello to ALL the McLane Family. This is Rick & Carol Walsh. Until June of 2018, residents of St James & Widener Road. Parents of Rick, Matthew, and Amy.
Sad to hear of your Dad's passing. One of the true great St. Jamesers. Dad was coaching the Baseball Team to the Region 10 CYO Championship during the time when Carol & I were handling the girls and boys basketball. They were fun days. It was a joy to be in Joe's company. Sending our prayers and condolences.
It is noted that Dad came from Scranton. So did my Mother .
Matthew went to the University of Scranton and his second Son, Otis, was named after your Dad's dog. KIDDING! Named after Otis Day & the Nights.
A truly handsome man. No wonder all you kids are lookers.
Warm Regards! Rick and Carol Walsh*
