“ Karen was a sweet and caring individual who always put a smile on the face of those she came in contact with. Whether it be a good day or bad day, Karen believed in the power of positivity. We worked together at AMC Neshaminy 24 for a few years. Karen and I always made time to joke and make work fun during our closing shifts. She was an amazing person and I am saddened by this.

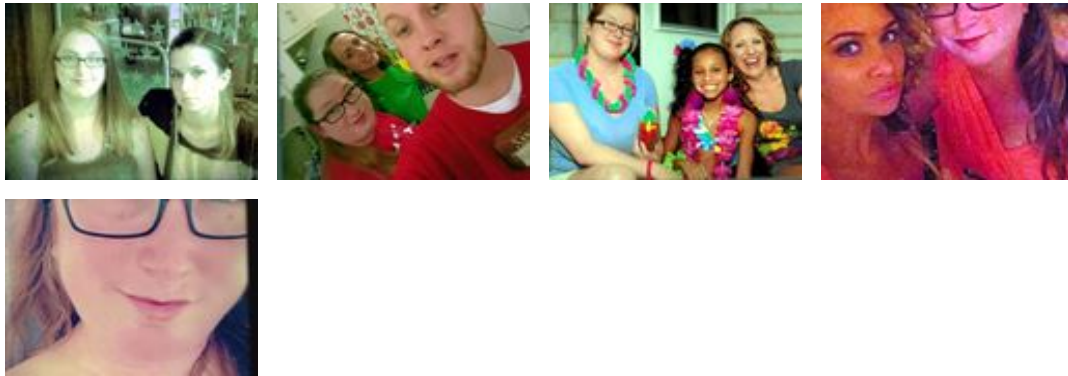

They say friends come into our lives and friends leave our lives. But friends never leave our hearts. And best friends always get to stay in the best places in our hearts. Karen you will be missed.

“ My favorite memory would be sleeping over playing "light as a feather, stiff as a board". Always loved sleeping over!

“ Karen was one of a kind. Smart, sweet, funny and caring. A great sense of humor and truly good person. This world will a little darker without her in it but the memory of her will always help shine light in dark times for those who knew and loved her.
