“ I awake each morning to start a new day  
But the pain of loosing you never goes away.  
I go about the things I have to do  
And as the hours pass I think again of you.  
I want to call you and just hear your voice  
Then I remember that I have no choice  
For you are not there and now my heart cries  
Just to see you again to tell you goodbye;  
To say Mom I love you and I always will  
And hope that much of you, in me you've instilled.  
The day that you left I just didn't know  
That you were going where I couldn't go.  
And now all my memories of you are so dear  
But gosh, how I miss you and wish you were here.  
Who now can hear me when I need to cry?  
It so hard to tell you "Mom goodbye."  
Someday I know all will be well  
And I'll see you again with stories to tell  
Of how you were missed and how we have grown  
And how good it is to finally be home.  
Until then my memories of you I'll keep near  
And I'll pass them on to those who are dear.  
I miss you Mom!
