“Wow, I'm so sorry to see this. Kay and I were great friends back in the 80s. Her dad called me “Davida Weed” when he would find me hiding in her closet after sneaking in. I've searched for her over the years with social media doing what the white pages used to do. Darlene, I'm sorry for your loss, I will pray for your family. Davids

Hi Darlene, I'll pray for your family. Kay and I were a bag full of trouble back in the 80s, I've thought about the good and the bad times with Kay and have looked for her on social media. Last I saw her she said she “lived on Loretta, near Rhawn with ducks on the lawn” or something like that. Had to be 30 years ago.
