PS

“ *Le will be greatly missed at Mutual Industries. He was always quite happy and enjoyed his job. His favorite saying was "Woo Hoo". He taught me his job so I could fill in when needed. It's just not the same without him. We miss him so much. We can only wish that his pain is gone.*

“ *I worked with le le [that's what I use to call him] for a little over 1 year and we got to be good friends! He use to give me high 5s every morning and then give me that big smile of his! This picture of us was taken at Christmas I would dress up every holiday and when le came in he would look at me and give me a little laugh and a big smile! He always gave us chips he would pull all these bags of chips out of his lunch bag and I would say to him is that a magic lunch box it was like it didnt have a bottom to it! He would laugh! He would give some if cokes and we b pretend they where mix drinks mine was always a rum and coke! He was the nicest guy ever and he will surely be missed! I would go back to get my boxes of product and he would have the radio playing and If it was a good song i would do a little dance then he would do a little dance and then we would laugh! It just wont b the same without him! I will always remember the fun times we had here at work! RIP Le!*
