“ I am sorry for your loss of a good husband, great father, exceptional policeman, and excellent man who lived and sacrificed for his family. I also pray for this family in this tough and tumultuous time of remembering his moments of laughter and love so memorable you had to reminisce right after. May his honor, integrity, and service be valued so much it inspires many to gather, for the legacies left behind to always remind themselves that there is a higher power and he will continue to love all of you in the present and the hereafter.

-With love and respect,
Brandon Pembleton

“ *Your smile could light up a room and your laugh was contagious. I will miss you, dad. You were the strongest man I ever knew and always gave without expecting anything in return. I am blessed to be your daughter. Rest in paradise.*
