

Linda Michele Fairweather

February 26, 2019

Linda (nee Cappola) was born March 22, 1947 in Phila. PA. to Matrona (nee Bazuik) and Michael Cappola. She is survived by her loving daughters Michele Fisher and Dana Landolt, 5 adoring grandchildren Gabrielle, Jacob, Brian, Mason and Ava and is the sadly missed sister of Barbara Hunt and Rita Cappola. Linda is preceded in death by her sister Gerry Nase and brother Michael.

Linda attended Cardinal Dougherty High School and went on to college at Jefferson Hospital where she studied to become an X-ray technician. She also pursued additional training and became a Radiation Therapist. She loved learning in the field of medicine like her father. She enjoyed dancing and was great at it, even being on American Bandstand. Linda also enjoyed playing and watching basketball.

Services and interment are private.

“ Linda and I attended grade school together at Melrose Academy, made a lot of trips to Bandstand, and remained friends for many years to follow. I even had some nice conversations with Dr. Cappola after Linda had left her family home. She came to a grade school/high school reunion in 1985 and had a great time dancing with Teddy, Bernard and others. I am so glad for all the photos I have of that night. Sadly, we lost touch after 1985 but our classmates and I have always remembered her. We had great fun with our trips to Bandstand, the U of Delaware and Ocean City, and I will remember her fondly, as a happy, bubbly friend. My sincere sympathy to her siblings, children and grandchildren.

“ My Lovely sister Linda, we were so close growing up together. You were always there for me and I for you. I knew you would protect me. We had so much fun as kids and even throughout high school. Even pretending to be each other to old boyfriends. We could fool them good. It's hard to think you are not physically here now but since we were a part of each other I will keep you with me in my heart and mind. I love you dearly and am so grateful that you were such a part of my life. I miss you and will keep you with me always. Keep on dancing in Heaven until I get there and we can dance together again.

Your little sister Rita 🌹

Rita, I do not really remember you from when we were kids but you look so much like Linda. Amazing. I remember only your brother, Michael, and your Dad from my visits to your home when Linda and I were in grade school. I am so very sorry.

“ Miss you, Linda. The last few months were really tough for you. I hope that you are at now at peace. I share your oldest memories when you were just the first of our boomer babies. We had some wonderful times. I love you. Barb
