“ *My dearest Nina. My heart is so sad and in pain. How will we all go on knowing you will not be here to share our wonderful lives together. I question at times why. I know that they say that you are in a better place but reality is your not here with me. I loved you from the moment I met you and knew you were forever be my little girl. O how I miss you much. Love tou with all my heart Mommy!*

“ I met Celina at her Aunt Dolores Smith's college graduation party in Tampa FL. She was the daughter of Desi one of my closest friends. Her contagious smile, quirky personality, and zest for life left me with a warm and pleasant feeling. How much fun she is to be around I thought to myself. I wish I had more time to spend with and learn more about this fantastic woman.
