“ Peg was such a lovely woman. During my mother's illness Peg would sit for what seemed like hours, holding my mother's hand and reminiscing about the old day's. She had quite the talent for calming my mother's soul. To her son, you loved her so well because she loved so well. You will be missed. Our loss is heaven's gain. Rest in peace lovely lady. ❤️

“ *When Nancy and I worked at Einstein, we could always count on Mrs. Duffy to give us a call with weather updates. I know her family will miss her.*

Remember well Marilyn. Any weather warning Mom would be on the phone contacting her kids to make sure we were knew and were safe. And if we were home, she was telling us not to go into work! Even left word for you Marilyn about 309 and 611. And if in meetings, Linda would talk with Mom and relay the warnings on our return to office.
