“ Where do I start, to my amazing mother in-law, thank you for loving me. You treated me as though you gave birth to me. Thanks for patience when I asked how to cook the same dish over and over. Now Myriam has to put up with all my cooking questions as you raised an amazing cook. You were the best cook ever!!! Guess what? I think after 2/2/ my food started to tasting like yours. Did you do that? Lol I enjoyed traveling with you to the many countries. We never left each other without saying “I love you” I feel so blessed to have had such an awesome mother in-law. I’ll miss your hugs, tasty food and hearing you call my name. I love you so much and I’m great full for all the wonderful memories we created together. Thank you for spoiling all your grand babies . I’m still going to ask you to pray for me from heaven because you were a prayer warrior. Every time I asked you to pray for me whatever I wanted or needed came into existence. Last but not least, thanks for raising Fritz to be such an awesome man. God has blessed me with the amazing son you raised .You raised him to be a believer with an ambitious and gentle soul. I love you and you’ll never be forgotten. Love, Nicole
