“ Mom Hoffmann raised the most amazing man I am so proud to call my husband and father to my children. She was an amazing mother in law and grandmother. I am so glad we got to the shore often this past year to visit with her and see the smile on her face when she watched her grandchildren and played with them. My kids loved doing puzzles, coloring and playing the game Trouble with her. Rest in peace MomMom. We know you are always with us watching over us.

“ I have known Marie through our online Beagle club for 4 years now. She always had kind and compassionate words for everyone in the club. My best memory is from May of this year when she invited me and my Beagle, Suzy Q, to stay with her and George. The smile on her face that first day will always be a special memory for me. I will treasure those 2 days with her and George forever. Even with all her many ailments she had the biggest bear hug I've ever received. My deepest sympathies go to her husband, sons, daughter-in-laws and especially her grandchildren that she loved so very much. May she rest in peace.

“ Please accept our heartfelt condolences for the loss of a wife, mother, grandmother and to her other family members. Marie will always be remembered for her kindness and love she shared with everyone. Knowing Marie, only through a Group at NJB, she was thoughtful, kind, never missed a birthday for ourselves or our furbabies with an E-card and the greatest joy was seeing her post every morning for everyone to have a wonderful day. She amazed us on knowing everyone names and remembering things about us. I will miss our ealy morning chats when there were puppies to watch and her overall genuine kindness and beauty from within. Rest in Peace Marie...Rich and Irene Van Houten
