“ Mom, we are going into the Christmas Season and I so wish I could see your beautiful smile and the joy you felt when we were all together. You will always be with us and will always be a huge part of our celebration... Missing you very much!

“ Oh Mom... It's so hard to believe you're gone. The littlest things bring me to tears like for example turning on Frank Sinatra on Sunday sent me to tears. I just saw a beautiful picture of your Jack with his 5 grandsons... You would have loved seeing him with them! I'm grateful you are not suffering anymore and know you'll always be with us but boy, it's so sad! I love you xoxoxo

“ Mom, the beautiful things we have been hearing from so many people are such a tribute to you! You touched everyone in such a special and powerful way.... Even in the last months when you struggled, you ALWAYS had that beautiful smile, a "Thank You", and an "I Love You" to everyone! Mom, we have heard from neighbors how Beecher Avenue has "never been the same" since you & Daddy moved, and that Chapters will miss you and no matter who moves onto your room.... It will "never be the same"... We were so lucky to have the greatest parents and you will remain with us forever. Our lives "will never be the same" but our memories... They are many and they are priceless!! Thank you Mom

“ Mom
I want to thank you for your unconditional love and support. You and Daddy taught me along with Jack, Frank, Robert, Suzanne and Joseph family values and the importance that being a family and loving each other can bring - how blessed were we to have you as our Mom! I will miss you every day but I am so happy you are with Daddy now, free of pain and no longer afraid. You will always be my 'La Befana' and I will carry you forever in my heart. Till we meet again.....I love you! Marylou xoxox
