“ *Well it's been a while Baby Brudder. . . Sorry I haven't written and been so absent , however I've only been absent in writing and I'm pretty sure you know and feel each moment you cross my mind ... the winter is here the nights are longer but it's not as bad as I thought since now I just have that much more time to think good thoughts and remember the good times. I try and fill my days with keeping busy I don't cry as often as I did when we first laid you to rest. I find peace in knowing you are out of all the pain you were put through and that you and daddy are together again and in the house of the Lord ! Hugs and kisses missing you always and until we meet again may God hold you in the palm of his hand.
XOXOXO*

“ I had a chance to meet Mark, and sit with him for a few hours. We told each other stories about TV characters, and had a great time together. Even though I never really got to spend time with him before, I'm glad I had this experience to see what an amazing person he was.

There are NO word's to say how I feel tonight or since you've been gone. I miss you and miss calling you "BABY BRUDDER" even on your worst day's I would get you to give me that side smirk and a head nod !
I wanted you to STAY with us and prayed to EVERY GOD above . . . but you are NO LONGER IN PAIN OR HAVING TO LIVE IN A HOSPITAL ! SO finally I prepared myself the best I could and as much as I wanted u to stay it wuld be selfish of me and I DIDN'T want you to suffer anymore ! I know your wing's are so beautiful and your day's are filled with love and aughter and you are reunited with Daddy 💔 I can't say enough about the amazing brother you were on Earth and you fought the HARDEST fight I've ever seen ! There's NO mending this broken heart of mine. I love you FOREVER until we meet again that's when my heart will be mended 🧡💕💙💜💖💗
💚💕💖💗💙💜💞🙏🏻 sister and brudder for ALWAYS !

“ *It still doesn't feel real. We miss you oh so very much sweet brother, I keep waiting for you to call me and ask what I'm making for dinner or ring my doorbell. I'm so glad we perfected our meatball recipe last summer and you told me not to tell anyone because they wouldn't help us cook lol my memory is LONG and you are in all of them good and bad but most are good and fun boy did we have fun we made so much fun out of everything. We didn't have the best of everything but we sure did make the best of everything. Thank you for being the best brother ever and also my great friend, the best and only uncle to my kids and best godfather ever and the brother Tom never had and also his best friend ever! The 3 musketeers forever you and the two Toms. We love and miss you too much to express ❤️ Until we meet again*
