

## Maureen Keating

May 23, 2019

Maureen "Mighty Mo" (nee Warren) was born December 10, 1949 in Philadelphia, PA. to Patrick and Madeline (nee Law) Warren. She passed away on May 23, 2019 after bravely battling metastatic small cell lung cancer for eight months. She was 69 years young.

Mighty Mo, a nickname given to her by her beloved husband, Kevin who preceeded her in death. She was a devoted mother to her three children Kevin Keating, Jr., Kimberly Ryan (Casey) and Christine Keating. She was loved and adored by her four grandsons whom she loved to spoil, Kevin Keating, III, William Hopkins, III, Aiden and Nolan Ryan. They were her pride and joy!

Mo was a friend to all, especially those with four legs! She was always quick to help family, a friend or even a stranger. She loved an adventure and all things outdoors: swimming, fishing, boating, bicycling, you name it...Mo was game! She enjoyed trying new experiences, had a love of dancing, gambling, dressing up and traveling. Maureen truly was a great friend and was loved by all that she met. She was fierce, strong and quick witted all rolled up into one. Maureen is preceeded in death by her beloved husband Kevin Keating, Sr., her parents Patrick and Madeline Warren , twin sister Madeline, brothers Billy, Francis, Dennis and Phillip. She is survived Patricia Metzger (Bob), brothers John, Patrick, and Joseph Warren, and many nieces and nephews. She will be sadly missed by her many family members and all her pets including Shadow, Bronson, Lexus, Lilo and Cat. She has made many

fantastic relationships throughout her lifetime and will be greatly missed by all of her friends.

Those attending Maureen's services are encouraged to wear bright colored clothing to pay tribute to her right and beautiful spirit!

“ *Maureen was such a lively, one of a kind person that I loved like a second mom. I loved that she never cared what people thought, she was who she was. What I'll always remember is how much she loved her children and grandchildren and would do anything for them. And her kids friends too!! When she first started losing her hair because of the chemo she said let's just shave it all off. She told me she never liked shaving anyway. Only she would find the upside of losing all her hair. She will always be missed and never be forgotten!!! #Mightymolivesinmyheart*
