“ I only knew Michael thru his Aunt Kim his Mom. He was funny, real, always there for his family. Always there for his aunt when her day was done @ her job. Tired, exhausted and he knew to be there for her to ease her travel home. It was a small deed but a 'Big' deed. It meant family love devotion. He had that, I know that thru his Aunt Kim. Everyone else should know it to. All My Love Barb and the Crew from Ross,
