

## Michael Diamantas

July 19, 2022

Michael passed away suddenly on Tuesday, July 19, 2022.

Michael had an infectious smile, which reached his eyes and would light up the room. He was a handsome, soft spoken, and a small structured man with a heart of gold which was larger than life.

When Michael was a young boy, he enjoyed going down the shore and hanging out on the beach with his family. He also loved amusement parks. He especially liked going on thrill rides, such as roller coasters. Michael shared a passion for music with his mom, Gina, and loved to dance with her. Michael could play the bass and even played in a band for some time. He loved hiking and all things nature. He enjoyed taking nature walks at the park with his dad, Michael, where they would go fishing and play ball together.

He shared the last 14 years of his young adult life with the love of his life, Tatiana. The two of them went on a trip to the Grand Canyon, which was one of the highlights of his life.

Michael loved all animals, especially dogs. He and Tatiana owned two dogs. His favorite sport was football and was a Green Bay Packers fan.

Michael is survived by his parents: Michael and Gina Diamantas, older brother Charlie Mays (Nikki), nephew William Mays and his soul mate Tatiana Rodriguez.
