“ *Dad I think of you and mom everyday of my life.
I don't take life for granted!*

“ *My heartfelt condolences to Mike's family at this difficult time. Many fond memories came back when I saw the news of Mike's sudden passing. I represented Edgewater Park for the Burlington Nats that went to the Babe Ruth World Series. Mike was instrumental in me being on that team and was huge in the overall success of that team. Mike never got the credit he deserved for his efforts there and with EP because of the politics and egos of the time. He was a tremendous advocate for EP players and I still can remember him hitting fungoes to us at practice and before games. We nicknamed him "Soul Knoll" because it rhymed not realizing Mike was the Soul of the Edgewater Park, RVL and American Legion baseball teams he was involved with. At the very least, one of the fields in Edgewater Park should be named for him in his honor to recognize the contributions he made to the community and sport he loved so much. I will never forget him for that and what he did for me. May he rest in peace and join the Field of Dreams where he belongs.*
