“ I cannot believe you are gone. Most of my best childhood memories include you. You were such a loving and caring person and we always had fun no matter what we were doing (including getting into trouble) LOL. I thank you for introducing me to my husband. It is because of you that I have a wonderful family and I will be forever grateful. Your memory will live on as my son will always know that you are the one that brought his mommy and daddy together. I love you and will miss you terribly. My heart aches but I have much comfort knowing that you are at peace. Love always, Mischelle (Graziano) Crow, Harry Crow, and Andrew Crow. xoxoxoxo
