“ I remember Patrick from when we were kids. I guess we were 2nd cousins. His mom and mine were cousins. Use to hang out alot while our mums were gabbing. We use to get in a lot of trouble together. Wish we kept in touch more. RIP with you mom and Tommy.

“ Pat and I grew up together as kids. I remember the great times we had playing base ball, hockey, (Pat's favorite sport) and going to concerts. Pat loved the group KISS and we got to see them together. I was proud to have Pat as my BEST Man at my wedding. He was also the godfather our my son, Timothy.. Whenever we talked he would also ask, how is Timmy? I remember the trip we had together driving across country. I ask Pat if he would help me drive from Texas to Arizona to Philly. Pat jumped at it. It was a long trip but great memories. There was nothing we couldn't do together. I remember Pat as a gentle, caring and lovable man who would help anyone anytime. I loved him growing up as kids and I still love him now. Miss you Pat and may you RIP.

“ Patrick and I grew up together. We had some great times together going to Phillies, Flyers games and concerts. I remember Pat loved the band KISS so one Christmas we went to see them. Every time I hear a Kiss song I think of that night. One of our best times together was when he helped me drive my car from Texas to Philly. He was my Best man at my wedding and godfather to my son. Miss you and will always love you. RIP brother
