“ *Rasheen is my sister. My name is Rasheeda Hampton . She was real and raw . She loved even the word 'family' and she was loyal but sometimes to the not so loyal people.. We've always told each other we loved each other before hanging up the phone and she talked my daughter who's four years old with all the love in here heart . If a memorial is given Please contact me at anytime at 215-681-1870 or rasheeda.hampton@gmail.com.*
