“ My name is *Patty Denton Hartman*. Rick was my brother. His family here in *Chattanooga , TN* , well we only found this out today. If His children would *PLEASE* contact me , we would be so grateful. My love and prayers go to his children. Thank u. We are very heartbroken over this. Our brother *Mike* passed away two yrs ago.

RD

Hey Patty, this is his oldest son Rick. I was just looking into my family tree and found this. I hadn't talked to my dad since I was a child. If you see this, please email me. I'd love to find out some history of his side of my family. My email richard.denton10@gmail.com. Thank you.
