

RitaGail Coyle

April 26, 2020

RitaGail was born on August 18, 1948 in Trenton, New Jersey to Denise Le Merdy and Robert Sked. On Sunday, April 26, 2020 she was called Home. She is survived by her children Frank, Robin and Holly; her grandchildren Roseanna, Ashley, Kayla, Kaiselyn, Kyle, Charlotte, Nathaniel, Simon, Caedmon, and Margaret; her great grandchild Lilliana; her brother Kenneth Sked (Lynn); her nephews Ryan, Matthew and Colin.

RitaGail was kind, patient, loving and always looking for the best in people. She was always there when you needed her. She was an amazing teacher and cared about her students a great deal. She would work hard to help anyone who wanted to learn and even some who didn't. As her children were growing up she always made time for them taking them camping and traveling showing them how the world truly was. She loved sitting around the campfire reading sci-fi fantasy books and at home loved playing fantasy computer games, meeting many friends along the way. She had a fascination with computers making sure she had one in her home, even before they became commonplace, teaching her children how to use them.

She would also spend hours making counted cross stitch for family and friends, as well as making Halloween costumes for her children instead of buying them.

RitaGail laughed and danced, always making her family smile. She was strong beyond belief and showed courage beyond anyone's expectations. When she loved others it showed through her words and actions. She stood beside those she cared about and helped pick someone up and brush them off if they "fell". She never judged someone for mistakes and accepted them for who they were, showing her love.

RitaGail's love will live on in her family's hearts and their actions.

“ *Rita Gail became my friend in the late 60's when she came to Indiana. We were both military wives. Later in life I was fortunate to come to Philly to be in her wedding party. I will never forget that day, driving around to get just the right wedding photos Gail wanted, her hemming her dress on the way to the wedding, stopping in the midst of it all for ice cream and her handsome new brother-in-law I got to walk down the aisle with! That was over 45 years ago. I always thought I would get back to Philly to see her again, but that just didn't happen. I did locate her on Facebook and I am happy for the communication we had there. I will always remember her as that young energetic girl. Fly high Gail!*
