“ How can a year have gone by without you, my love? It seems like only yesterday that you were making your daily corny jokes, making plans for our future. I miss you every single day wondering when the grief will lighten. Love you always my best buddy. I hope that you are basking in the heavens. You deserve and eternity of peace. Look in on us every now and then. Love you until we meet again. Your devoted wife.

It's been 8 months since you left us. I still can't believe you're gone. It's a different world in so many ways, most of all, you're not here. Yellow roses will be planted and, hopefully bloom next year without your green thumb. Love you.

“ To all of Bob’s co-workers and PGW management: we are in the process of creating a Robert T Howell, Sr. Memorial at St Mary Hospital in Langhorne, Pa. bow will already have a large plaque outside of the Emergency Room and our next goal is a brick with his name in the beautiful Garden of Reflection in the Cancer Center. It would be very meaningful if this brick were from the company he worked for for 48 years. All proceeds are in honor of Dr. Syed Atif Hussain, MD to be used for Cardiovascular care. No money is used for the purchase of the plaque or brick. Bob loved the company, please love him back in this beautiful way. Anyone is welcome to donate.

Raised enough money for the large plaque and large brick. If you’re ever in St Mary’s Medical Center in Langhorne, check it out. It’s a beautiful tribute to a wonderful man.
