“ Here it is almost 10 years loosing my dear husband Bob.
It feels like yesterday.
I went thru it all alone.
I have rotten family what is left of it.
I survived.
What goes around comes around
I lost not only Bob
I lost my black cat Peppy.
My brown tabby Chance.
My sweetheart Chicago.
All in 4 1/2 years.
All this has made me very very strong.
I was strong before but much more now.
I miss Bob very much along with all my pets.
They were my family.

“ *There isn't a day that goes by that u don't think about you Bob.*

It seems like yesterday when you left me.

Time does not heal all wounds

Somehow you learn to go on in life and that is what I try very hard to do each and every day.

I have pets that need me Chicago, Little one a black cat I took in in 2016 that was homeless in Frankford and Lola. A little white sweet Bichon whom spent 8 years in a puppy mill til they got rid of her. Lola is 10 years old. I adopted her in January 2022 when a lady in my building died the same week she adopted Lola. You would love her and Little one whom you've never met, just like you loved Chicago and all our other pets.

I said it before and I'll say it again. God has a great friend in you Bob. I just wish he had taken someone else and not you.

RIP sweetheart.

You will never ever be forgotten.

You were the best thing that ever happened to me and the only one that ever cared about me.

Love always, Your wife Janet

“ Almost 9 years Bob is gone.
It has not gotten easier without him.
It is very very hard.
I've lost 2 of my cats Peppy and Chance.
Chicago is 15 now.
He isn't doing that great.
He has good and bad days
I have alot of health issues now which u didn't have before.
I wish Bob were here
He left me too young at 69 years old.
I wish God had never taken him.
God has a good friend in Bob.
Rip sweetheart.
I think about you everyday.
Love always, your wife Janet

Where do I begin.
God has taken you Bob, Peppy, Chance and now my sweetheart Chicago.
Chicago died on September 10th suddenly from GVD a life threatening condition.
I have had so many loses in 9 years. With Chicago it was so sudden.
I had 2 hours of that to decide what to do
He never would have made it thru surgery. I was told he would have died.
Loosing you Bob has not gotten any easier.
Between loosing everyone that was a big big part of my life and my health issues is alot.
Sometimes I really don't know how I've gotten thru all that I have.
I have Lola whom I adopted 3 years ago when a woman in my bldg. died.
Lola looks alot like Chicago but she isn't Chicago.
Lola is a sweetheart.
You would have loved her.
She is a little survivor as she spent 7 years in a puppy mill.
I also have a little black cat named Little one whom is almost 10 years old.
You would have loved him too.
Both he and Lola are 10 years old.
RIP all my sweethearts.
There isn't a day that goes by that I don't think of all of you and wish you were here with me.
Life is very very lonely without all of you.
Tomorrow starts Chanukah.
I don't celebrate holidays anymore.
There is no one to celebrate it with.

“ *Everyday you are in my thoughts and heart.
Life is very very lonely without you.
I visited your grave 2:weeks ago when I came to Philadelphia.
Lola has 12 teeth removed. She is doing well. She is still on an antibiotic.
She goes back to the vet to be rechecked the end of the month. She loves
Chicago.
They are buddies.
Chicago just got done taking his last antibiotic pill
He was urinating alot with some blood in it.
I hope he is alright.
It is very hard for me financially with the vet bills, but I am making it somehow.
Rip sweetheart.
We love and miss you dearly.
Love always,
Janet, Chicago and Little one and Lola whom you never met, but I know you
would love them deeply if you were here.*

“ I am sitting here very sad thinking of Bob.
I wish he were here. It still is very very hard going on without him
He would be here helping me.
Chance our little brown tabby is not doing well. He has cancer in his right eye and
abdomen. He is on steroids since April 29th 2021.
Life is very been lonely without you Bob.
I will never ever get over loosing you.
There is not a day that goes by that I don't think of you and everyone I have lost
threw the years.
Rest in Peace Bob.
God has a great friend in you.
God Bless you sweetheart 💋🥺
Love always
Janet, Chicago, Chance and Little One whom you never met. I know you would
have loved this little black mischievous cat.

Dear Bob

Everyday you are in my thoughts.
I haven't been to see you
The price of gas is so very high.
Chance is still holding on with the cancer. 15 months since he was diagnosed
Chicago has cataracts and arthritis. Little one is still mischievous.
I took in a little white Bichon named Lola. Lola's owner died in my bldg the week she
adopted Lola
Lola was a puppy mill dog.
She spent her whole life in a puppy mill.
She is alot of work.
She would have been put to sleep if I hadn't adopted her.
RIP sweetheart ❤️
Chicago and I hope to come visit you very soon
We love you very much Bob.
Every day I think of you and wish you would send me a sign that you are here with us.
When I hear the Moody Blues on Sirius XM radio, I know you are watching over us

I know that God is watching over you.

Sitting here thinking of you.

Chance left us Bob.

He has cancer in the right eye and abdomen. He started to scream and pass out from very bad seizures. I had him put to sleep on November 29 2022. He fought to live for 19 months. I couldn't see him suffer.

I've had so many losses including you in my life..I hope to get to see you very soon.

Prices of gas is so very high. Chicago has cataracts and arthritis now. He doesn't like to walk much. Lola is doing well. She has come a very long way from spending 7 years in an awful puppy mill. You would have loved her as you lived all our pets. I don't know what I would have done without them. I got Chances remains back.

He is on his rocking chair. That was where he always was.

I heard the Moody Blues on the radio the other day. I knew you were looking down watching over us. You have all your fur babies up in heaven with you. Thank oned that are gone, but never ever forgotten. RIP sweetheart 💕💕

Love always, Janet your wife.

To my wonderful husband Bob

When God made you he broke the mold. You were one of a kind.
I want all the rotten people that have hurt you and i to stay away from you in heaven.
If i had my way id want God to send them to hell. That is not my call
I just hope and pray they never make it to heaven. Just Hell.
I hope to come to visit you on veterans day sweetheart along with Chicago.
I've been sick over a week with the flu.
Rest in Peace my Wonderful Bob.
Thank you so very much for choosing me as your wife. You could have picked anyone,
but you chose me.
That is an honor.
I love and miss you very very much. You were just a wonderful person. How sad, i

To my wonderful husband Bob

6 yrs is coming up since I lost you on Sept. 2nd 2015.
It feels like yesterday.
The pain of loosing you is still very deep. Life has been very hard without you Bob. I
still ask God everyday why did he have to take you.
Without you Bob life will never be any good.
Sometimes I feel like I am just existing. I am going back to work at 70. I need the
money for the pets as they are getting older. Peppy as you know died Aug 14, 2020 of
kidney disease. Now Chance has cancer in his right eye and abdomen. He is on meds
so for now he is ok. I won't let him suffer.
Rip my wonderful husband.
Thank you for coming into my life.

You would be so proud to know all I've done since your gone.
Mostly, you are in a beautiful eternal resting place. Newtown, Pa. is beautiful.
I'd rather you were here with us, Chicago, Peppy, Chance and Little-One. They all
got a bath today Sunday 10/13/2019. Wednesday they will get their flea medicine.
They are alot if work, but they are worth it.
Rest in Peace Sweetheart. God has a good friend in you.

I can't believe it is almost 5 yrs. That you are gone. It seems like yesterday. It has been so very hard without you. Time is so short. You cannot waste a minute. Sat. I am taking Peppy and Chance to the vet. Peppy is very thin. He needs blood work. Chance needs blood work too. He is on thyroid medicine. They both are almost 14vrs. Old. I always have to juggle everything around to afford things. Yes i am doing it but it is not easy. By no means. Chicago is doing ok. He had a haircut on Wed. He is a good little boy. He is around 11 1/2 yrs. Old now.

I really believe u are watching over us. Lots of time i can feel your presence. Our new little cat is named Little One. He is around 5 yrs. Old. Very very affectionate. You would have loved him. Everyone is sleeping on the bed now.

I have alot of health problems now especially with my legs. I have alot of pain and my hip on the left side is very painful.

I have to get some xrays and ultra sounds done.

I will be 69 on june 25th.

That is how old you were when God took you away from us. You were way too young. You will always been in our hearts. We will never forget about you. I plan to come for a visit on Fathers Day 2020 with Chicago. I always bring him. He loved you very very much. He was your buddy.

I always talk to him about you. I tell him that it was you that picked out of the shelter. Rest in Peace Sweetheart.

We are ok. Im doing the best i can.

Love always,

Janet
