

## Sharoon Murad

December 2, 2020

Sharoon was born April 1, 1987 in Layyah, Pakistan to George Murad and Razia (nee Kishan Chand). He was born just one year after his older brother Jehanzeb, who was born in 1986. Sharoon and Jehanzeb had a very close relationship. He also is survived by his younger sister Tajwar and younger brother Sharukh who Sharoon deeply loved and adored.

Sharoon's father George came to the United States in 1999 and immediately started working towards bringing his family to the United States as well. Due to some complications, Sharoon and Tajwar had to come to the U.S. by themselves. That is when their relationship grew as siblings and they always took care of each other. During this time Sharoon attended Northeast High School and helped his dad at work.

Sharoon was always very loving and caring towards everyone he knew. In 2006, the rest of Sharoon's family came to the United States including Razia, Jehanzeb and Sharukh. This is when Sharoon built a very close relationship with Sharukh. He watched over Sharukh as an older brother should and guided him in so many ways. Sharoon had some rough patches in life but he always bounced back with the help of his family.

In 2016, Sharoon went to Pakistan where he met and married the love of his life, Sofia. He returned to the United States and later brought Sofia to the US

to live. He loved his wife very much and did everything he could he could to make her happy. Shortly after Sofia came to this country they moved into their own place and started living together.

Sharoon and Sofia created amazing memories together. Unfortunately, their story came to a close when God called Sharoon home on December 2, 2020.
