

Sherrie P. Walker

April 24, 2018

Sherrie Perrie Walker was born on January 27, 1956, in Philadelphia, PA. She grew up in a blended family and was born to the proud parents Mattie Lee Brown Walker and Albert Walker, Jr. Sherrie attended and graduated from Olney High School in Philadelphia, PA. Sherrie worked at Ms. Smith's Daycare Center as a child caregiver, taking care of young children with her sister Shelley (Wendy) in the early 80's.

Sherrie had one daughter, Wakitta Aninya Walker (Muffin), from her first union to Gary Jones. She later had a long-term relationship with David Baldwin.

In her younger years Sherrie enjoyed dancing, listening to music, and shopping for gold jewelry. She had quite a collection! As she became older, her favorite thing to do was watching movies, especially science fiction and action movies. She loved all animals but had a preference for cats. Over her lifetime, she had several pets. She also enjoyed learning about the Bible, going to church services with her daughter and having Bible study with Sister Mills.

To say Sherrie was a "people" was an understatement. She was very outgoing and a friend to anyone she met. As a "giver" and not a "taker", her kindness and compassion for others was genuine. Certainly straight forward, her honesty was refreshing and her humor contagious. She had style and grace.

Sherrie was a strong woman and loving mother. She loved her family and friends and enjoyed spending time with them. She touched so many lives with her warm and caring heart.

Sherrie leaves to cherish her memory: her daughter Wakitta; Her stepmother Everjane Walker; brothers and sisters Albert, III, Eleanor, Cynthia, Rochelle, Kenny Ray, Valerie, Shelley (Wendy), Robin, Tracey, Erick, and Derrick; aunts Alice (Gwen) Asbury, Diane and Valory Walker, Hattie Brown Rice, and Helen Brown Dawkins; sisters-in-law Jeannette Walker and Jennifer Walker; brother-in-law Kevin Jordan; and a host of neices, nephews, cousins, and friends. Those who preceded her in death were: both parents, Mattie Lee Brown Walker and Albert M. Walker, Jr.; sister Arlene Gromms; brothers Terry Walton and Vincent Grooms.

"O Lord, thou hast searched me, and know me. Thou knowest my downsitting and mine uprising, thou understandest my thought afar off. Thou compasses my path and my lying down, and art acquainted with all my ways." Psalms 13:1-3

“ *My Aunt Sherrie was a very loving and caring individual. I remember when I was young and she use to take me and my siblings to the play ground all the time. Our favorite candy was the red lip stick candy. But not only did we share that memory the family always said I remind them of Aunt Sherrie. My mother Tiffany and my grand mother Eleanor said that I would take long showers just like she did and always stayed fly and clean just like her. You will be truly missed Aunt Sherry. “ To my Mom,
A wonderful, strong, beautiful, loving, and caring women. I thank you for teaching me kindness, compassion, honesty (or as she would say “keep it real”), how to dress and look sharp (as she would say). You were funny and had a wonderful sense of humor, even when you weren’t trying to be funny....you were funny :) Having manners and respect for others were also important to you and so your daughter knows how to be polite. You were never a follower and had confidence in who you were and so you daughter has learned to be confident and be my own person. Your support for me knew no bounds and your love for me was sure and unconditional. Thank you Mom, I love you and will miss you very much.

“ *Sherry The Fire Ball*
I will never forget how we use to hang out at the Uptown Threatre. Sherry and Robin won the James Brown dance contest. We were able to go see the shows for free. Another fond memory was Sherry always told me to stop fighting so much because I would never get a boyfriend. How we laughed when we spent time going down memory lane of our childhood. Sherry will be missed more than words can say. Rest in peace my sister. Love Nuby Shuby Duby

“ *To the Walker Family, You can take comfort in knowing that Sherrie is at peace. Please reflect on the many fond memories that you know and can share with each other about Sherrie. The dark clouds will soon allow light to shine through making each of you stronger during this time and the days that lie ahead. You are being remembered and comforted because of your faithful undying devotion to Sherrie. Be strong as there are many who cares for you.*

“ So sad to hear about Sherrie’s passing. I remember her for her sense of humor and the way she brought joy and laughter into a room. I trust and have faith that eternity will be good to Sherrie; that she has found her bright star; that she outshines it so that all who loved her may remember and be comforted.

Sincerely,

Vivian Taylor

“ Sherrie was one of the happiest babies I've ever encountered. She was fearless, even at 6 months, standing in the palm of her father's hand, and laughing the whole time. She enjoyed eating and often hummed when she really like what was on the menu. As a young adult, she was funny and genuinely interested in how you were doing. Sherrie loved her daughter with a fierceness of mother bear, always trying to direct her steps. I will dearly .use her and her wicked wit and rye sense of humor. Until we meet again. Love you

“ I met Sherrie 36 years ago through my "Sister Friend" her Aunt Alice (Gwen).
After a brief hilarious conversation it was like we had been friends all of our lives.
Throughout the years, no matter how far apart our encounters were, we always picked up our conversation as though we had just seen each other the day before.
Until we meet again my dear friend, who never failed to make me laugh I bid you Farewell. I will always hold our friendship close to my heart. You will be forever missed but never forgotten. Maria Aduso and family

“ I recall how Sherrie gave me a nickname. We both had children around the same age. When the children were little, Sherrie would tell me that I was overprotective. At the time, there was a commercial for Jif Peanut Butter that ended with, “Choosy mothers choose Jif.” Whenever, she thought I was being overbearing with the children, she would say, “Okay Choosy, the kids get the message.”
She continued until her last days greeting me by saying , “Hello Choosy.” I love you so much and will miss you - your Aunt Alice (Gwen).
