“ I just learned today of her passing - now more than 2 1/2 years ago. Very sad to find this out, Much time has passed since I last saw her, but I still have so many fond memories of our time together at Upper Merion High School, and then at Penn State. Rest in peace Joanne. - Fred Kisner

Just found this page about Joanne. I was one of her roommates at Penn State and a fellow student at Upper Merion. She was such a talented and beautiful soul. My thoughts and prayers are with you.

I was thinking about Joanne today and was sad to learn that she passed . Joanne , Karen Cimperman (who passed 2 years ago) and I hung out when we were students at Upper Marion . She was a fun , kind and talented friend. I have not seen her since we graduated from college although I did stop by to visit her mom . Peace Carol Blanco

I apologise for the lateness, but I just found out about her passing.

I knew Jo after she graduated from university and had started her career with IBM.

Smart, beautiful and funny.

I loved her. Very much.

My deepest sympathies to her family.

I was friends with her brother Sid. Does anyone know if he's still around? Joanne was a beautiful talented girl when I was growing up and she had a hard life. Rest In Peace Jo.
