ME

“ *Stephen was the love of my life. We were each other's "first love" and you never forget your first love. I miss him and love him so much. It breaks my heart that he's gone. We were engaged and planned to be married in the spring. He was a very generous and kind-hearted man. A romantic and we loved each other with all our hearts. A great artist. As good or not better than all the famous artists combined. I pray his wishes get granted and his ashes get buried in his father's grave in Oakland cemetery. That's what he told me he wanted. I pray he will be in his final resting place. I love you Steven and hope to see you again one day. RIP my love. Until we meet again.*

Love always and forever,

Mary Ellen 🥺💕❤️💕🌹
