

Theresa Marie Horner

March 1, 2021

Theresa 'Terri' (nee Smith), passed away on March 1, 2021 at age 62, after a courageous battle with Lewy Body Dementia. She is survived by her husband Kenneth A. (Big Kenny); two sons Jason and Kenneth M. (Little Kenny); her parents Maria (nee Garcia) and Gerald J. Smith, Sr; siblings: Patricia (Patty), Elizabeth (Betty), Frances (Kay), Gerald, Jr. (Chico), and Margaret (Peggy) and their families.

Terri was born on June 21, 1958 in Elkhorn, Wisconsin, though she lived the majority of her life in the Philadelphia, Pennsylvania area. She loved to care for others. She worked as a Certified Nurse's Aide for nearly 20 years. Terri was a devoted wife and mother to her family, as well as a devoted daughter and sister. She always gave what she could to bring joy to others, even if it meant doing without herself.

Terri enjoyed going down the shore every summer. She loved to relax in her chair on the Sea Isle City, New Jersey beach with her family and swimming in the ocean, no matter the water's temperature. She also loved to reminisce about her trips to New Mexico with its landscapes, sights, food, and extended Garcia family members she loved so dearly.

She'll be remembered always by family and friends for her fun loving nature, how she liked to sing and hum along to music, her smile, laugh, and larger-

than-life heart.

Due to the Covid-19 pandemic, there are no scheduled memorial services at this time.

To honor Terri's memory, the family has requested that in lieu of flowers and/or other gifts, a donation be made to:

“ My thoughts of Terri always come back to her genuine smile, the kindness she showed and her great pride in her sons. She loved telling me stories about her travels to New Mexico with her mom. Coming from a family of 6 siblings myself I can only imagine the void but the memories will live on and on. All my thoughts and prayers to Terri's family at this time. Rest in peace Terri 💕💕

“ We shared a lot of laughter growing up in Roslyn, our family of 8!! I remember raiding Terri's closet (she always had a job and better clothes) and I'd get in trouble if she found out. Fondest memory... Terri was loyal to family and always defended everyone she loved!

“ Hello family and friends, my dad, Jason and I want to share that, while we're heartbroken by the loss of mom/Terri, your outpouring of support and love is helping us get through these difficult days. We miss my mom so much, but we're holding on to all the good memories we made and the joy she brought to our lives. As noted in the Obituary & Service section of this site, due to the pandemic, there are no scheduled memorial services for my mom at this time. We do ask that you consider making a donation to The Lewy Body Dementia Association at <https://www.lbda.org> in my mom's honor, to help advance research to combat the effects of this disease. --Little Kenny
