“ Tim's passing has taken a big piece out of Heart. Tim loved wrestling events and the Incredible Hulk. A devoted fan who never missed a event. Tim always had a big smile when you met up with him and offered help if you needed & cheer you up if down. There is no greater pain than losing a child i am finding out. Tim was the baby of the family.

His love of wresting , hulk , comic books & collector was second to none.

Tim was dearly missed & will be missed as time goes on.

Rest in peace Tim

Love You always

Your Dad

“ Tim was a great person with an amazing sense of humor. I will always remember his love of professional wrestling and the way he would do impressions of the Ultimate Warrior. God bless you old friend and your memory will live on as you are an amazing person.
