“ Dear Daddy,  
I Miss you every day! The pain of losing you is indescribable, but I would rather take all your pain so you can rest in peace! I know your up there making everyone laugh as you always did and drinking your Bud with a Marlboro red! You are my angel and my one and only first true love! I have no regrets, we fought, but you were the first one I called and you were always there! I love and miss you so much... until we meet again... but please "don't you cry tonight , baby I still love you, and I'll remember you always!... Love Your only baby girl, Jessie....PS ... who will I have my tea parties with now?? No one can fill your shoes ... tell all our loved ones and my father in law I said hello!!! Miss you forever xo
